

LOURDU VASANTHA POLISHETTI

DATA ANALYST | SQL | POWER BI | EXCEL | TABLEAU

+91 9346635987 | plvasantha1990@gmail.com | Hyderabad, Telangana | linkedin.com/in/lourdu-vasantha-polishetti/

PROFESSIONAL SUMMARY

Data Analyst with 3+ years of professional experience as a Quality Control Analyst in the pharmaceutical industry and hands-on Data Analytics experience since November 2025. Skilled in SQL, Excel, Power BI, and Tableau, with experience in data cleaning, KPI analysis, dashboard development, and reporting using real-world datasets. Brings strong analytical thinking, data accuracy, documentation, and problem-solving skills developed through pharmaceutical quality control experience.

TECHNICAL SKILLS

SQL: Queries, filtering, joins, aggregations

Excel: Advanced Excel, Pivot Tables, XLOOKUP, data cleaning, KPI analysis

Power BI: Dashboards, DAX, KPI reporting, drill-downs

Tableau: Interactive dashboards, filters, data visualization

Analytics: Data cleaning, trend analysis, reporting, business insights

Other: Labware LIMS, stakeholder coordination, documentation

CERTIFICATIONS

- NASSCOM Certified Data Analyst - July 2026
- ExcelR Certified Data Analyst - June 2026

PROFESSIONAL EXPERIENCE

Data Analyst Intern | Ai Variant | Apr 2026 – Jul 2026

- Used SQL, Excel, Power BI, and Tableau to analyze and visualize real-world datasets.
- Built a bank-loan performance dashboard to track default rate, claim settlement ratio, and delinquency rate.
- Cleaned and prepared datasets for analysis and reporting.
- Analyzed KPIs and presented findings through dashboards and business reports.

Quality Control Analyst | Dr. Reddy's Laboratories | Feb 2022 – Apr 2025 | Bachupally, Telangana

- Analyzed raw-material and quality data in Labware LIMS, maintaining accurate records and supporting audit readiness.
- Investigated OOS/OOT incidents and documented findings for quality and process review.
- Performed packaging-material sampling/testing and prepared trend reports for continuous improvement.
- Worked within established ICH, GLP, GDP, and GMP requirements.

DATA ANALYTICS PROJECTS

Banking Loan Performance Dashboard

SQL | Excel | Power BI | Tableau

- Analyzed a 2,000+ record loan dataset to study loan disbursement, repayment, default, delinquency, recovery, and branch-level performance.
- Used SQL and Excel to clean, organize, query, and analyze loan data and calculate key performance indicators.
- Built Excel, Power BI, and Tableau dashboards to visualize loan performance, repayment trends, product-wise loan volume, and branch-level loan distribution.
- Tracked KPIs including Default Rate, Delinquency Rate, Recovery Rate, and On-Time Repayment Rate.

Credit & Debit Transaction Analysis

SQL | Excel | Power BI

- Analyzed 100,000 transaction records to evaluate credit/debit activity, transaction volume, cash flow, branch performance, and transaction trends.
- Used SQL and Excel to calculate credit and debit amounts, credit-to-debit ratio, net transaction cash flow, transaction-method distribution, and branch transaction growth.
- Built Excel and Power BI dashboards to visualize transaction patterns, transaction methods, bank volumes, branch performance, and high-risk transaction activity.
- Analyzed suspicious transaction frequency and high-risk transaction flags to identify potentially unusual transaction patterns.
- Identified City Center Branch as having the highest total transaction amount among the analyzed branches, at approximately ₹42.91M.

Superstore Sales Dashboard

Tableau | Excel

My Tableau Dashboard

- Analyzed sales and profit performance across regions and product categories.
- Built an interactive Tableau dashboard using filters, KPI cards, and visual comparisons.
- Identified sales and profitability patterns through regional and category-level analysis.

Financial Analysis Dashboard

Power BI | Excel

- Analyzed sales, profit, and cost by region and product to understand financial performance.
- Built a Power BI dashboard with KPIs, filters, and drill-downs to make financial trends and comparisons easier to evaluate.

EDUCATION

- M.Sc. Organic Chemistry - St. Pious X Degree & PG College for Women, Osmania University | CGPA: 7.91 | 2019-2021
- B.Sc. MPC - St. Pious X Degree & PG College for Women, Osmania University | CGPA: 9.89 | 2016-2019

ACHIEVEMENTS

- Best Outgoing Student (2016–19) - recognized for academic excellence and leadership.
- Student Coordinator for SPUGER - environmental research and sustainable-practice initiative.
- Employee of the Month - recognized twice for outstanding performance.
